The Arc of Northern Virginia is the area's leading community organization serving people with intellectual and developmental disabilities (IDD)—such as autism, Down syndrome, cerebral palsy, epilepsy, and rare chromosomal disorders—of all ages and their families.

The Arc of Northern Virginia Team Challenge brings together companies and the community to raise important funds to sustain and strengthen its vital programs, services, and advocacy for people with IDD. You are invited to join hundreds of runners from local and national corporations and community organizations to compete for glory in a 5k run, or a 2k fun walk or roll!

For more than four decades, this has been Northern Virginia's premier corporate and community challenge race and the area's only team-based race with teams of 5-7 runners (up to 7 for a walking team). This year's Team Challenge events will again take place at beautiful Burke Lake Park.

Why Sponsor and Run? Many of our corporate and community teams have returned every year—with some participating for well over two decades—because **The Arc of Northern Virginia Team Challenge** is a unique event that allows you to:

- Boost employee morale and camaraderie by engaging in a team sport and friendly competition among colleagues or others in your industry.
- Promote a culture of fitness and healthy lifestyles in your company.
- Receive branding and logo recognition in front of hundreds of participants at the event and thousands of friends and supporters through our social media and online outreach.
- Support a cause that resonates with your employees, many of whom may have children, family members, friends, or neighbors with IDD.
- Demonstrate your commitment to strengthening the local community your company calls home.
- Enjoy a fun day with S 6 4 refreshments! and prizes for top running teams and individuals.

Please see the enclosed information about registering a team, as well as the many sponsorship opportunities that can provide corporate visibility and greatly further the important work of The Arc of Northern Virginia.
