## The Arc of Northern Virginia Corporate & Community Team Challenge 5K and 1M Walk

### Going the Distance for People with Disabilities

The Arc of Northern Virginia is the area's leading community organization serving people with intellectual and developmental disabilities (ID/DD)—such as autism, Down syndrome, cerebral palsy, epilepsy, and rare chromosomal disorders—and their families

The Arc of Northern Virginia Corporate Team Challenge brings together companies and the community to raise important funds to sustain and strengthen its vital programs, services, and advocacy for people with ID/DD. You are invited to join hundreds of runners from local and national corporations and community organizations to compete for glory in a 5K Run or participate in a 1M Walk!

**About the Race:** For four decades, this has been Northern Virginia's premier corporate and community challenge foot race and the area's only team-based race with teams of 5-7 runners (up to 12 for a walking team). **This year's race has been rescheduled SUNDAY SEPTEMBER 13, 2020 at BURKE LAKE PARK in FAIRFAX STATION, VIRGINIA.**

**Why Sponsor and Run?** Many of our corporate and community teams have returned every year—with some participating for well over two decades—because The Arc of Northern Virginia Team Challenge is a unique event that allows you to:

- Boost employee morale and camaraderie by engaging in a team sport and friendly competition among colleagues or others in your industry.
- Promote a culture of fitness and healthy lifestyles in your company.
- Receive branding and logo recognition in front of hundreds of local runners at the event and thousands of friends and supporters through our social media and online outreach.
- Support a cause that resonates with your employees, many of whom may have children, family members, friends, or neighbors with intellectual and developmental disabilities.
- Demonstrate your commitment to strengthening the local community your company calls home.

Please see the enclosed information about registering a team, as well as the many sponsorship opportunities that can provide corporate visibility and greatly further the important work of The Arc of Northern Virginia.

For more than 57 years, The Arc of Northern Virginia has worked to promote and protect the human rights of people with intellectual and developmental disabilities (ID/DD) and actively support their full inclusion and participation in the community throughout their lifetimes. It is estimated that more than 39,000 individuals in Northern Virginia have an intellectual or developmental disability.

We provide information and referral to help caregivers navigate complex systems through each stage of their loved one's life; financial management through our Special Needs Trust; and advocacy on the local and state levels for better funding and services to meet the needs of people with disabilities.
