

2019 ADVOCACY WITH THE ARC OF NORTHERN VIRGINIA

Each year we work with state legislators to ensure more people with developmental disabilities receive the supports, services, rights, and funding they deserve. Advocating with us is fun and fulfilling. Consider joining us for as many advocacy opportunities as you can and don't miss our free advocacy trainings to help you feel prepared to change Virginia!

*ATTEND IN SUPPORT, CALL, EMAIL, RALLY, SPEAK, AND TELL YOUR STORY TO
