

First Responder & Safety Event Fair

Saturday, April 15th 11:00am-2:00pm
Kenmore Middle School
200 S Carlin Springs Rd, Arlington, VA 22204

Join us for a resource fair and practice event with Arlington first responders and community partners. Learn about emergency and crisis resources, and practice navigating emergencies. It is a great chance to learn how to handle a possible emergency, get to know first responders, ask questions, and feel more comfortable in the event you experience an emergency in the future.

Participants will be able to:

- Practice police traffic stops and traffic accident response
- Practice talking with and using fire, rescue, and EMS services
- Learn hands-only CPR and practice on a mannequin
- Learn about free, tech-based safety resources available from our Tech for Independent Living program
- Receive training in the use Naloxone to prevent overdose
- Learn about Project Lifesaver and the use of SafetyNet tracking
- Receive a personalized DD identification card to hand to first responders in the event of an emergency

Preregistration is requested. Sign up at: <https://bit.ly/3ZdWAfr>
